

Who we are

Outpost is a Whistler-based vacation rental management company focused on innovation and providing the best possible service to our guests and our owner partners. The vacation rental industry offers a fast-paced environment that always keeps us on our toes. Outpost is growing, and we are in need of great people to join our team. We support our team by allowing them to play to their personal strengths while granting full agency to impact their part of the business and to grow within the company.

The role: Maintenance Technician

As a Maintenance Technician, you will play an integral role in ensuring our properties are kept in tiptop shape. You will be providing support to our Maintenance Manager as well as our Property Services, Guest Services and Owner Relations Teams with a variety of general property maintenance and upkeep, troubleshooting and general repairs. You will need to have a can-do attitude and be a jack of all trades with a basic level of comfort relating to all aspects of a home, including lighting, electronics, appliances, basic plumbing/electrical and the general appearance and upkeep of the interior of our homes. In the off-season, you will be performing preventative maintenance inspections and upkeep and identifying areas in our homes that need attention. A level of comfort with minor patching and painting, caulking is an asset.

Note: Due to the nature of the role, we are looking for someone who can ideally commit to 6 months+ in the role and who can consistently work 4-5 days.

Job requirements

- Must have a valid BC Drivers' License
- Background in construction work or trade work preferred, but not necessary
- Experience in a property management or hotel environment is an asset
- Good communication skills
- Observational skills and troubleshooting ability
- Ability to prioritize and work under pressure
- Available to work weekends

Duties

- Work with our team to respond to guest and owner's maintenance requests in a timely and professional manner
- You follow instructions to a tee and can communicate effectively on what needs follow up
- You will be on the go, moving from home to home throughout the day with minimal supervision
- Completing timely work order notes via our app on your phone
- Performing property inspections when needed

Ideal candidate

- Excellent problem solver with a can-do attitude
- Professional demeanour with excellent communication skills, comfortable communicating with guests
- Ability to competently perform small repairs and maintenance
- Strong general handyman skills
- Basic mechanical/plumbing/electrical skills are an asset
